<b>INTERESTS</b>	Environmental and resource economics, applied econometrics	
<b>EDUCATION</b>	PhD in Environmental and Resource Economics, Duke University	2003-2008
	MS in Environmental Engineering, Tsinghua University	2001-2003
	BS in Environmental Engineering, Tsinghua University	1999-2001
	BA in Environmental Economics, Renmin University of China	1996-2001
<b>EMPLOYMENT</b>	<b>Duke Kunshan University</b> , Kunshan, Jiangsu, China Environmental Research Center and iMEP Program Director and Associate Professor of Environmental Economics	2016-
	<b>Duke University</b> , Durham, NC, USA Nicholas School of the Environment Associate Professor of Environmental Economics	2016-
	<b>University of California, San Diego</b> , La Jolla, CA, USA School of Global Policy and Strategy Associate Professor of Environmental Economics	2015-2016
	Assistant Professor of Environmental Economics	2008-2015
<b>OTHER POSITIONS</b>	Auditor, East Asian Assoc. of Env. and Resource Economics	2016-
	Advisory Board Member, Nicholas Institute, Duke University	2016-
	Board Member, Professional Association for China's Environment	2015-
	Senior Adviser, Asia Society	2012-
	Associate Editor, <i>Marine Resource Economics</i>	2011-2016
	Visiting Scholar, UCE <sup>3</sup> , UC Santa Barbara	Fall 2011

**SELECTED  
HONORS &  
AWARDS**

John V. Krutilla Research Stipend	2011
Hellman Fellowship	2011
Dr. S.-Y. Hong Award for Outstanding Article	2008
Joseph L. Fisher Doctoral Dissertation Award	2007
Award for Outstanding Graduates in Tsinghua University	2003
Award for Outstanding College Students in Beijing	1999

**MAJOR  
GRANTS**

**SEMINARS & CONFERENCES**

**2017:**  
Wuhan University, Conference on Law and Economics  
Harvard Project East Asia Workshop, Shanghai  
Nicholas Institute of Environmental Policy Solutions, Duke University  
Nicholas School of the Environment, Duke University  
Chinese Academy of Sciences, Institute of Science and Development  
Asian Development Review (ADR) Conference, Seoul, South Korea  
Green China Development Forum, Heilongjiang  
Kubuqi International Desert Forum, Inner Mongolia  
Duke Kunshan Workshop on Electricity Market Reform, Beijing (organizer)  
Duke Kunshan Workshop on Cost-Benefit Analysis, Beijing (organizer)  
Ji'Nan International Forum, Shandong  
Duke International Forum, Duke Kunshan University (organizer)  
Hong Kong University of Science and Technology, Division of Social Science  
Asia Society Workshop on Carbon Market Linkage, Hong Kong  
Shanghai Jiaotong University, Antai College of Economics and Management  
Stanford & RFF 2017 China GHG Policy Workshop, Palo Alto

**2016:**  
Harvard University Workshop on China's Carbon Market, Beijing  
Council on Foreign Relations, New York City  
Wuhan University, School of Economics and Management  
Wuhan University, School of Law  
Chinese Academy of Environmental Science, 2016 Green Finance Summit  
Southwestern University of Economics and Finance

Chinese Society for Environmental Sciences, Env. Econ. (organizer)  
Shanghai Business Education and Training Center  
JiNan University, Institute for Economic and Social Research  
INECE, Next Generation Compliance and Enforcement, Beijing  
Tsinghua University, Green Cities in Asia, Beijing  
Fudan University, RICE/CCES Salon  
Fudan University, School of Economics  
CCICED, Workshop on Cost-Benefit Analysis, Beijing  
Chinese Academy of Sciences, Institute of Science and Development  
Chinese Academy of Sciences, Nanjing Institute of Geography and Limnology  
Nicholas Institute for Environmental Policy Solutions, Durham, NC, USA  
CESPN, E-webinar  
Zhejiang University of Technology, School of Environment  
Nanjing University, School of the Environment  
Eco Forum Global, Guiyang Shanghai Forum  
Mindshare Energy Symposium: Alberta, Canada  
UC Davis, Department of Agricultural and Resource Economics  
UCSB Confucius Institute Environment Conference: Santa Barbara, CA  
King Abdullah Petroleum Studies and Research Center: London, UK  
Society for Benefit-Cost Analysis: Washington, DC

**Earlier Conferences:** AAEA 2007; AERE Summer Conference 2011, 2012, 2014; All-UC Conference in Energy and Environmental Economics 2013, 2014 ASSA 2008, 2010, 2011, 2014, 2015; Camp Resources XXI: Wilmington 2014; GEF China Climate Technology Needs Assessment Conference 2012; Governors' Global Climate Summit 2009 Heartland Workshop on Environmental and Resource Economics 2014; IIFET 2006; International Conference on EU Environmental Policies and Their Enlightenment 2001; NBER, Conference on the Economics of Environmental Protection in China 2014; Occasional California Workshop: UC Santa Barbara 2013, 2015 Professional Association for China's Environment: Nanjing, China 2015; UCSD Food & Fuel for the 21st Century Symposium 2015; UCSD Renewable Energy Conference 2012 (organizer); US-AEE/IAEE: Anchorage, AK 2013 Shanghai Forum 2013

**Earlier Seminars:** Aquarium of the Pacific; Aspen Congressional Program; Beijing University of Chemical Technology, School of Economics & Management; Claremont McKenna College, The Robert Day School; Duke Kunshan University: Kunshan, China; Duke University, Nicholas School of the Environmental; Georgia Institute of Technology, School of Economics; Resources for the Future; Iowa State University, Department of Economics; Joint Institute for Marine and Atmospheric Research, Honolulu, HI; King Abdullah Petroleum Studies and Research Center: Riyadh, Saudi Arabia; Korea Development Institute; Nanjing University, School of the Environment Pacific Islands Fisheries Science Center, Honolulu, HI; Peking University, School of Economics; Sam Houston State University, Department of Economics; Shanghai University of Finance and Economics, School of Economics; Soongsil University, Department of Economics; Stanford University, Shorenstein APARC; The University of New Mexico, Department of Economics; Tsinghua University, School

of the Environment, School of Public Policy and Management; UC Institute on Global Conflict & Cooperation; UC Davis, Agricultural and Resource Economics; UCLA, Luskin School of Public Affairs; UC San Diego, Department of Economics, IR/PS, SIO; UC Santa Barbara, Department of Economics; University of Hawaii at Manoa, Department of Economics; University of Southern California, School of International Relations; Xi'an Jiaotong University, School of Finance and Economics

## REFEREE SERVICES

**Journals:** *American Journal of Agricultural Economics, Applied Energy, B.E. Journal of Economic Analysis and Policy, Canadian Journal of Agricultural Economics, Climate Change Economics, Climatic Change, Ecological Economics, Economic Inquiry, Energy Policy, Environment and Development Economics, Environmental Economics and Policy Studies, Environmental Science and Technology, Frontiers of Environmental Science and Engineering, International Journal of Sustainable Transportation, Journal of the Association of Environmental and Resource Economists, Journal of Cleaner Production, Journal of Environment and Development, Journal of Environmental Economics and Management, Journal of Environmental Management, Journal of Industrial Ecology, Journal of Public Economics, Land Economics, Marine Resource Economics, Philosophical Transactions B, Regional Science and Urban Economics, Resource and Energy Economics, Review of Economics and Statistics, Science of the Total Environment, World Bank Economic Review, World Development*

**Grants:** Alaska Sea Grant College Program, Maine Sea Grant College Program, National Oceanic and Atmospheric Administration, National Science Foundation, Ohio Agricultural Research and Development Center

**Associations:** Agricultural and Applied Economics Association, Association of Environmental and Resource Economists, European Association of Environmental and Resource Economists, IEEE Green Technologies Conference, World Congress of Environmental and Resource Economics

**Publishers:** Princeton University Press, Routledge, Wiley-Blackwell

## TEACHING

**Duke Kunshan:**  
Environmental Economics (iMEP)  
Chinese Environmental Policy (GLS)

**UC San Diego:**  
Data and Methods (Economics PhD)  
International Environmental Policy and Politics (GPS Masters)  
Sustainable Development (GPS Masters)  
Chinese Energy and Environmental Policy (GPS Masters)  
Intro to Marine Biodiversity, Conservation, and Global Change (SIO/IGERT)  
Natural Resource Economics (Economics PhD)  
Economics of Energy Policy (GPS Masters)  
Econ Prep (GPS Masters)  
Environmental Capstone (co-teaching, GPS Masters)

**ADVISING**      **UC San Diego:** Ben Gilbert (Economics '11, University of Wyoming), Kevin Novan (Economics '12, UC Davis), Anthony Liu (Economics '12, RFF and CK-GSB), Dalia Ghanem (Economics '13, UC Davis), Tamara L. Sheldon (Economics '15, University of South Carolina), Matthew Gibson (Economics '15, Williams College), William Leung (Economics '15, UC Davis), Jacob Johnson (Economics '16)

**Other Institutions:** Peng Zhang (UC Santa Barbara '16, Hong Kong Polytechnic University)

**MEDIA COVERAGE**      **International:** Wall Street Journal, CNN, Financial Times, Forbes, Guardian, Scientific American, CCTV America, Edmonton Journal, International Business Times, Asia Development Bank, Asia Society, ChinaFile, E&E News, Oil and Gas Journal, The Straight Dope, The International, Gas 2, The Diplomat, Channel NewsAsia

**Chinese:** Xinhua, People's Daily, Guangming Daily, Caixin, Economic Observer, China Economic Information, China Youth Daily, Yabuli Chinese Entrepreneur Forum, Southern Weekly, Tencent News, Beijing Youth Daily, Sina, Liaowang Institute, Legal Daily, Modern Express, China Dialogue, CETIN, Oriental Outlook, Phoenix Weekly, Mirror Books Global Times, CNPolitics.org, Jiangsu Banking Industry, China Environmental Management, Chinese Environmental News, FT Chinese, Journal of Translation from Foreign Literature of Economics

**MEMBERSHIPS**      American Economic Association  
                         Association of Environmental and Resource Economists

**LANGUAGES**      Chinese (native)  
                         English (fluent)

**COMPUTER SKILLS**      Python, R, JavaScript, MATLAB, SAS, Arc GIS, Maple, Mathematica, S-Plus, Stata, HTML, CSS, PHP, MySQL, PostgreSQL, C/C++, Visual Basic, BUGS, UNIX/Linux, L<sup>A</sup>T<sub>E</sub>X
